## Endless Breeze™ for the Pet Market

Imlay City, MI - Keep your pet comfortable with the Endless Breeze™. This 14" portable fan, with high air volume uses only 12 volts. The fan operates at three speeds, stores easily and weighs less than five pounds. The Endless Breeze™ easily plugs into a standard 12 VDC outlet or operates on 110 VAC with a 4 AMP converter.

The Endless Breeze™ is a major break through in 12 volt portable fans. It delivers the equivalent of a constant 10 mph wind using an automotive type fan motor and blade system with low amp draw.

Use the Endless Breeze™ to keep your pet comfortable before, during and after performance runs, or for any of the following customer suggested applications: Confirmation/Obedience, Flyball/Agility, Hunting/Lure Coursing, Schutzhund/Tracking, Law Enforcement and Search Dogs, 4-H Handlers and pets, Household pets during travel, Horse Trailers, Boats, Tents, Campers, Sleeper Cabs, Power Failures. The uses are only limited to your imagination.

The Endless Breeze™ is manufactured and warranted by Fan-Tastic Vent Corporation, the leader of the 12 volt air exchange systems in the RV industry.
