October 2007

FAN-TASTIC VENT CORPORATION North American Distributor Representative!

Imlay City, Michigan-

Fan-Tastic Vent Corporation, the industry leader in 12-volt air exchange systems is pleased to announce RV Lifestyles Inc. as our North American distributor representative, effective October 2007. RVLI is well known and respected throughout the RV industry. Rosie Hirsch and her team were chosen because of their ability, commitment and enthusiasm. "This collaboration will help us continue building powerful relationships within the recreational vehicle and marine aftermarket network" states Perry McKimmy Director of Operations.
