Fan-Tastic Vent Corporation Appoints New Company President

Imlay City, MI - The Board of Directors of Fan-Tastic Vent Corporation is pleased to announce the appointment of Penny J. Milks as President, CEO and Director, replacing Stephen A. Milks who passed away March 9, 2006.

“Penny Milks has been in key positions since we launched the company. She has taken care of the financial end of our business with exemplary results.” Stated David Struck, former Vice president, in a retirement speech.

Fan-Tastic Vent manufactures a high quality air exchange system for the recreational and commercial vehicle industry. The global business is built on outstanding customer values and support.

With the recent introduction of a radio frequency remote Fan-Tastic Vent™ fan, we feel confident that Penny will lead us into an era of growth and expansion.

Additional appointment included Lorin A. Milks as Vice president. Lorin has filled many roles on the engineering side of the company, working closely with inventor and brother Stephen Milks.
