August 2007

## **FAN-TASTIC VENT CORPORATION APPOINTS DIRECTOR OF OPERATIONS!**

Imlay City, Michigan-

Fan-Tastic Vent Corporation, the industry leader in 12-volt air exchange systems for RV's is pleased to announce an addition to their management team. Perry McKimmy, former Panama City, Florida resident will assume the role of Director of Operations effective August 2007.

As a longtime friend of the corporation, McKimmy is no stranger to Fan-Tastic Vent. He was eager to join the Board of Directors in 2006. "Perry's energy and enthusiasm is infectious! He is a perfect addition to our team," states Vice President, Lorin Milks.

McKimmy brings over 38 years of management experience to Fan-Tastic Vent. His history includes General Manager of Curtis Ford in Lansing, Michigan, Owner of VanderHyde-McKimmy Ford in Galesburg, Michigan, Co-owner at Ford-Lincoln Mercury in Coldwater, Michigan, Director of Operations of Brighton Ford in Brighton, Michigan and most recently, Co-owner of Buzz Leonard Chrysler-Jeep-Mazda-Mitsubishi in Panama City, Florida. He is thrilled by the opportunity to bring his vast level of experience in the automobile industry to the RV industry and, as a MSU fan, looking forward to catching a game or two!

Penny Milks, President, welcomes McKimmy "We are excited to welcome Perry to the team and are confident in his ability to represent Fan-Tastic Vent in the RV community."
